

Special Notice for DoD NAF Employees and Retirees who live in certain areas

The medical plan options that are available to you are based on your home zip code. The Open Choice® PPO network that services your zip code area is still under development and includes a limited number of available physicians, hospitals and other health care providers. As a result, you are eligible to enroll in either the Open Choice PPO Medical Plan or the Traditional Choice® Indemnity Medical Plan. Your enrollment package contains information about both plans.

Please keep in mind that once you enroll in a plan, you cannot change your election until the next Annual Plan Selection or Open Enrollment period. Please review your benefit materials carefully and follow the enrollment instructions provided by your DoD NAF employer.

For a listing of participating Open Choice PPO providers in your area, visit DocFind®, Aetna's online provider directory, located at www.aetna.com.
